Re: Consolidate Steroid Cases

Dear Counsel:

Enclosed you will find a copy of the Amended Scheduling Order that was agreed to by everyone in the above-captioned cases.

It should be noted that a hearing was left on the docket for March 15, 2017 to identify and agree on a bellwether case of cases that would be tried. I left that hearing in the order but I believe it is probably premature to actually make that decision. If nothing else, if the case or cases that are selected are resolved by mediation, it will be necessary to pick other cases at a later date.

At this point in time I will leave the case on the docket for that day but unless I hear from one or more of the parties that they believe it is necessary to have that hearing and pick the cases at this time, I will assume that no one will actually appear.

Re: Consolidate Steroid Cases

It is my further understand that it was agreed by all parties that the following counts in the various cases would be dismissed and they would be removed from ongoing litigation:

- (1) All counts of implied and expressed warranty.
- (2) Any count for negligence misrepresentation.
- (3) Any count based on the Massachusetts Consumer Protection Act.

If anyone has any questions or disagrees with this summary or any of the terms of the Scheduling Order, please do not hesitate to contact me at any time.

Very truly yours,

WILLIAM O. CARR
